Disclaimer

The services and tools provided by buildkaam through buildkaam.com are offered on an “as-is” and “as-available” basis.

While we make reasonable efforts to ensure accuracy and reliability, buildkaam makes no warranties, representations, or guarantees, express or implied, regarding:

The uninterrupted or error-free operation of our platform,

The accuracy, completeness, or timeliness of data, reports, or calculations generated by our tools, or

The outcome or quality of construction or maintenance services performed by third-party vendors.

Users acknowledge that they are responsible for verifying project details, costs, and compliance with local laws and building regulations.

buildkaam disclaims all liability for any direct or indirect damages that may result from reliance on our platform or services beyond the limitations already set forth in these Terms.
